

### **Solid management of bullying situations**

Having an agreed behaviour management system promotes school connectedness.	Yes	No	Review
Do you have a case management team to respond to and manage reports of bullying behaviour according to the behaviour management and bullying reduction policies?			
Does your case management team include your AIEO (ATA or AEW) or other Aboriginal staff members?			
Do you have clear and consistent procedures when bullying is reported involving Aboriginal students?			
Are Aboriginal staff invited to mediate/assist with managing bullying incidents involving Aboriginal students?
